The techniques and tools that embroiderers of the day used to create their stunning items of clothing.

18th Century Embroidery Techniques by Gail Marsh

The 18th century was well-known for its elaborate embroidery work. Ladies wore intricately quilted petticoats and stomachers covered with floral embroidery, while gentlemen wore exquisitely embroidered and spangled waistcoats and suit coats.

Embroidery history - sixteenth to nineteenth century

The typical format of the English sampler evolved in the early 18th century to become a squarer shape, and combined different needlework skills. The result was something that could be displayed on the wall in the style of a painting or a print, rather than kept rolled up as a long, narrow reference piece.
