Vintage trucks rarely get the love and attention they deserve, but someone has clearly invested heavily in this 1970 Ford F-100 short bed pickup. With a laser straight body and slick Black Cherry paint that's about a mile deep, there can't be many out there that are sharper. There's also a great-running 429 Cobra Jet V8 running the show, a tastefully upgraded A/C interior, and lots of originality, resulting in one of the nicest Ford trucks we've ever featured at Streetside Classics.
