The methods in this corporate branding guide boost the reputation of the company's merchandise as well as the reputation of the corporation as a whole. This is in contrast to merchandising strategy which involves improving the reputation of the product. Establish Your Goals.

Corporate Branding: 5 Effective Strategies Just in Time ...

The Front Cover of a style guide is the first port of call for a reader, and as a result is a great place to make a statement about your brand identity. It's the perfect place to both summarise the main elements of your brand (logo, colors and principal typefaces) and to show off your branding style in a creative, attention-grabbing way.

How to Create Your Own Brand Guidelines

The term "corporate branding" typically refers to branding associated with a corporation's name, as in the examples above involving Shop, 1Password and Amazon. All three are corporate names and, in the case of Shop and 1Password, also the names of those brands' main products, similar to how "Coca-Cola" is the name of both a company and its product.
