Handbook of Cannabis - Roger Pertwee - Oxford University Press

Abstract. This book provides a multifaceted account of cannabis, a plant that is used widely both recreationally and as a medicine, as it has been over many centuries. Thus, it presents a brief account of the pharmacological history of cannabis and describes the cultivation and genotypic variability of this plant, the national and international regulation of cannabis and its many "cannabinoid" constituents, and the chemical structures and known pharmacological properties of some of these ...
