Taste of War: World War Two and the Battle for Food ...

The Taste of War by author and historian Lizzie Collingham is the first comprehensive history of food during the Second World War that incorporates all belligerents on a truly global scale. Food was crucial to the successful conduct of total war. Collingham shows that the battle for food determined strategy and how food became a weapon.

The Taste of War: World War Two and the Battle for Food ...

In "The Taste of War", Lizzie Collingham shows how food - and its lack - was central to the war's causes and continuation. She explores how starvation was often a deliberate governmental policy, and reveals how the necessity of feeding whole countries leads to Pearl Harbour, Germany's invasion of Russia, and the Holocaust itself.

The Taste of War: World War Two and the Battle for Food ...

Focusing on both the winners and losers in the battle for food, The Taste of War brings to light the striking fact that war-related hunger and famine was not only caused by Nazi Germany and Imperial Japan, but was also the result of Allied mismanagement and neglect, particularly in India, Africa and China.American dominance both during and after the war was not only a result of the United States' immense industrial production but also of its abundance of food.
