In literature, the turning point or climax is the point of highest tension in a narrative; it's the most exciting and revealing part of a story. It leads the rising action into the falling action before a story is resolved and reaches the conclusion. From a narrative's beginning, all of the action rises up to the turning point, where questions are answered, secrets are revealed, conflicts are resolved, and everything begins to come to a close.

TURNING POINT FOR BARYSHNIKOV - The New York Times

NASHVILLE — Al Gore wants to make a point about cellphones, and he has a helpful set of slides on his laptop. “Do you want to see that?” he asks, and starts to turn the MacBook around. “It’s not two hours — don’t worry.” Mr. Gore knows he is The Guy With the Slides, the man who will talk about the environment until you can no longer remember the color of the sky.

The New Optimism of Al Gore — Al Gore

Structures came crashing down, authority figures were tested and it seemed like we’d reached the point of no return. Luckily, the tides are turning in your 2021 horoscope, so if 2020 was especially...

7 synonyms of turning point from the Merriam-Webster Thesaurus, plus 28 related words, definitions, and antonyms. Find another word for turning point. Turning point: a point in a chain of events at which an important change (as in one's fortunes) occurs.

Turning Point Synonyms / Merriam-Webster Thesaurus

Here are seven keys to making every crisis a turning point that empowers your future. First, you keep on tithing and giving offerings even when your mind says you can’t afford it. If the enemy can ever get you to believe you can’t afford to tithe or give offerings. . .he has the ability to take advantage of you.
