Mr von Nordheim puts the subject into context historically and also explains the techniques, tools and materials used in couture tailoring clearly and concisely. Each chapter of the book deals with a specific aspect of the process, rather than detailing the creation of a jacket following the sequence of work.

Georgina's Vintage Couture

Haute Couture Tailoring is a real blessing. Mr Nordheim goes to great lengths to explain to (a novice) sewer like me the full ins and outs of tailoring. It is well and amply illustrated, explaining the work simply but at a professional level, thus providing the newcomer, or experienced student the better way to do the job, and why.
